U.S. GOVERNMENT PRINTING OFFICE

To the Congress of the United States:

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c), and section 505(c) of the International Security and Development Cooperation Act of 1985, 22 U.S.C. 2349aa-9(c), I transmit herewith a 6-month periodic report on the national emergency with respect to Iran that was declared in Executive Order 12957 of March 15, 1995.

WILLIAM J. CLINTON.

THE WHITE HOUSE, *June 27, 2000.*

PRESIDENT'S PERIODIC REPORT ON THE NATIONAL EMERGENCY WITH
RESPECT TO IRAN

I hereby report to the Congress on developments concerning the national emergency with respect to Iran that was declared in Executive Order 12957 of March 15, 1995, and matters relating to the measures in that order and in Executive Order 12959 of May 6, 1995, and in Executive Order 13059 of August 19, 1997. This report is submitted pursuant to section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c) ("IEEPA"), section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 505(c) of the International Security and Development Cooperation Act of 1985, 22 U.S.C. 2349aa-9(c). This report discusses only matters concerning the national emergency with respect to Iran that was declared in Executive Order 12957 and does not deal with those relating to the emergency declared on November 14, 1979, in connection with the hostage crisis.

1. On March 15, 1995, I issued Executive Order 12957 (60 *Fed. Reg.* 14615, March 17, 1995) to declare a national emergency with respect to Iran pursuant to IEEPA, and to prohibit the financing, management, or supervision by U.S. persons of the development of Iranian petroleum resources. This action was in response to actions and policies of the Government of Iran, including support for international terrorism, efforts to undermine the Middle East peace process, and the acquisition of weapons of mass destruction and the means to deliver them. A copy of the Order was provided to the Congress by message dated March 15, 1995.

Following the imposition of these restrictions with regard to the development of Iranian petroleum resources, Iran continued to engage in activities that represent a threat to the peace and security of all nations, including Iran's continuing support for international terrorism, its support for acts that undermine the Middle East peace process, and its intensified efforts to acquire weapons of mass destruction. On May 6, 1995, I issued Executive Order 12959 (60 *Fed. Reg.* 24757, May 9, 1995) to further respond to the Iranian threat to the national security, foreign policy, and economy of the United States. The terms of that order and an earlier order imposing an import ban on Iranian-origin goods and services (Executive Order 12613 of October 29, 1987) were consolidated and clarified in Executive Order 13059 of August 19, 1997.

At the time of signing Executive Order 12959, I directed the Secretary of the Treasury to authorize through specific licensing certain transactions, including transactions by U.S. persons related to the Iran-United States Claims Tribunal in The Hague, established pursuant to the Algiers Accords, and related to other international obligations and U.S. Government functions, and transactions related to the export of agricultural commodities pursuant to pre-existing contracts consistent with section 5712(c) of Title 7, United

States Code. I also directed the Secretary of the Treasury, in consultation with the Secretary of State, to consider authorizing U.S. persons through specific licensing to participate in market-based swaps of crude oil from the Caspian Sea area for Iranian crude oil in support of energy projects in Azerbaijan, Kazakhstan, and Turkmenistan.

Executive Order 12959 revoked sections 1 and 2 of Executive Order 12613 of October 29, 1987, and sections 1 and 2 of Executive Order 12957 of March 15, 1995, to the extent they are inconsistent with it. A copy of Executive Order 12959 was transmitted to the Congressional leadership by letter dated May 6, 1995.

2. On August 19, 1997, I issued Executive Order 13059 (the "Order") in order to clarify the steps taken in Executive Order 12957 and Executive Order 12959, to confirm that the embargo on Iran prohibits all trade and investment activities by U.S. persons, wherever located, and to consolidate in one order the various prohibitions previously imposed to deal with the national emergency declared on March 15, 1996. A copy of the Order was transmitted to the Speaker of the House and the President of the Senate by letter dated August 19, 1997.

The Order prohibits (1) the importation into the United States of any goods or services of Iranian origin or owned or controlled by the Government of Iran except information or informational materials; (2) the exportation, reexportation, sale, or supply from the United States or by a U.S. person, wherever located, of goods, technology, or services to Iran or the Government of Iran, including knowing transfers to a third country for direct or indirect supply, transshipment, or reexportation to Iran or the Government of Iran, or specifically for use in the production, commingling with, or incorporation into goods, technology, or services to be supplied, transshipped, or reexported exclusively or predominantly to Iran or the Government of Iran; (3) knowing reexportation from a third country to Iran or the Government of Iran of certain controlled U.S.-origin goods, technology, or services by a person other than a U.S. person; (4) the purchase, sale, transport, swap, brokerage, approval, financing, facilitation, guarantee, or other transaction or dealings by U.S. persons, wherever located, related to goods, technology, or services for exportation, reexportation, sale or supply, directly or indirectly, to Iran or the Government of Iran, or to goods or services of Iranian origin or owned or controlled by the Government of Iran; (5) new investment by U.S. persons in Iran or in property or entities owned or controlled by the Government of Iran; (6) approval, financing, facilitation, or guarantee by a U.S. person of any transaction by a foreign person that a U.S. person would be prohibited from performing under the terms of the Order; and (7) any transaction that evades, avoids, or attempts to violate a prohibition under the Order.

Executive Order 13059 became effective at 12:01 a.m., eastern daylight time on August 20, 1997. Because the Order consolidated and clarified the provisions of prior orders, Executive Order 12613 and paragraphs (a), (b), (c), (d) and (f) of section 1 of Executive Order 12959 were revoked by Executive Order 13059. The revocation of corresponding provisions in the prior Executive orders did not affect the applicability of those provisions, or of regulations, li-

censes or other administrative actions taken pursuant to those provisions, with respect to any transaction or violation occurring before the effective date of Executive Order 13059. Specific licenses issued pursuant to prior Executive orders continue in effect, unless revoked or amended by the Secretary of the Treasury. General licenses, regulations, orders, and directives issued pursuant to prior orders continue in effect, except to the extent inconsistent with Executive Order 13059 or otherwise revoked or modified by the Secretary of the Treasury.

The declaration of a national emergency made by Executive Order 12957, and renewed each year since, remains in effect and is not affected by the Order.

3. On March 13, 2000, I renewed for another year the national emergency with respect to Iran pursuant to IEEPA. This renewal extended the authority for the current comprehensive trade embargo against Iran in effect since May 1995. Under these sanctions, virtually all trade with Iran is prohibited except for trade in information and informational materials and certain other limited exceptions.

4. On April 28, 1999, I announced that existing unilateral economic sanctions programs would be amended to modify licensing policies to permit case-by-case review of specific proposals for the commercial sale of agricultural commodities and products, as well as medicine and medical equipment, where the United States Government has the discretion to do so. I further announced that the Administration was developing country-specific licensing criteria to guide the case-by-case review process so that governments subject to sanctions do not gain unwarranted benefits from such sales.

On July 27, 1999, the Iranian Transactions Regulations, 31 CFR Part 560 (the "ITR" or the "Regulations") were amended to add statements of licensing policy with respect to commercial sales of agricultural commodities and products, medicine, and medical equipment (64 *Fed. Reg.* 41784, August 2, 1999). These provisions were amended on October 27, 1999 (64 *Fed. Reg.* 58789, November 1, 1999) to remove language that had prohibited the issuance of specific licenses authorizing financing by entities of the governments of Sudan, Libya, and Iran. In addition, technical revisions were made to the Regulations pertaining to informational materials and visas. A copy of the October 27 amendments is attached to this report.

On March 17, 2000, Secretary of State Madeleine Albright announced that economic sanctions against Iran would be eased to allow Americans to purchase and import carpets and food products such as dried fruits, nuts, and caviar from Iran. To implement this policy, the Department of the Treasury's Office of Foreign Assets Control ("OFAC") amended the Regulations to authorize by general license the importation into the United States of, and dealings in, certain Iranian-origin foodstuffs and carpets and related transactions (65 *Fed. Reg.* 25642, May 3, 2000). A copy of the amendment is attached to this report.

5. During the current six-month period, OFAC made numerous decisions with respect to applications for licenses to engage in transactions under the ITR, and issued 51 licenses. The majority of denials were in response to requests to authorize commercial ex-

ports to Iran—particularly of machinery and equipment for various industries—and the importation of Iranian-origin goods. Twenty-five licenses were issued authorizing commercial sales and exportation to Iran of bulk agricultural commodities; in addition, licenses were issued that authorized three sales of other food products, three sales of medicines or medical equipment, and one exportation of turbines and other turbomachinery for use within Turkey in connection with in-country transport of gas from the Turkmenistan-Iran-Turkey natural gas pipeline. Other licenses that were issued authorized certain air safety, diplomatic, legal, financial, and travel transactions, film-making, humanitarian, journalistic, and research activities, and the importation of art objects for public exhibition. Pursuant to Sections 3 and 4 of Executive Order 12959, Executive Order 13059, and consistent with statutory restrictions concerning certain goods and technology, including those involved in air safety cases, Treasury continues to consult with the Departments of State and Commerce prior to issuing licenses.

For the period September 15, 1999 through March 14, 2000, on OFAC's instructions, U.S. banks refused to process approximately 1,400 commercial transactions, the majority involving foreign financial institutions that would have been contrary to U.S. sanctions against Iran. The transactions rejected amounted to nearly \$115 million worth of business denied Iran by virtue of U.S. economic sanctions.

Since my last report, OFAC has collected nearly \$122,000 in civil monetary penalties from seven corporations and two individuals for violations of IEEPA and the Regulations.

6. In September 1999, the president of a Wisconsin corporation pleaded guilty in the Eastern District of Wisconsin to one count of making a false statement to the Government and a guilty plea was entered for his corporation for one count of violating IEEPA. In October 1999, a federal jury found the corporation's vice president guilty of one count of violating IEEPA and the ITR and one count of violating the Arms Export Control Act. The defendants had been named in an August 1998 indictment charging the illegal exportation to Iran of U.S.-origin military aircraft component parts. A non-U.S. resident also named in the indictment is a fugitive.

In March 1999, an individual was indicted in the Eastern District of Michigan for the illegal importation of Iranian carpets. The charges resulted in the civil forfeiture of the merchandise, valued at \$200,000.

A California resident is scheduled to be tried in October 2000 in the District of Maryland for IEEPA and other charges filed in a superseding indictment of March 20, 1997. The indictment charges the defendant with the attempted exportation to Iran of gas chromatographs from the United States.

A trial date has not been scheduled for a Georgia corporation and two of its officers who were indicted in December 1998 for transactions relating to the illegal exportation to Iran of automobile parts.

The U.S. Customs Service has continued to effect numerous seizures of Iranian-origin merchandise, primarily carpets, for violation of the import prohibitions of the ITR. Various enforcement actions

carried over from previous reporting periods are continuing and new reports of violations are being aggressively pursued.

7. The expenses incurred by the Federal Government in the six-month period from September 15, 1999 through March 14, 2000 that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to Iran are reported to be approximately \$1.2 million, most of which represent wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the U.S. Customs Service, the Office of the Under Secretary for Enforcement, and the Office of the General Counsel), the Department of State (particularly the Bureau of Economic and Business Affairs, the Bureau of Near Eastern Affairs, the Bureau of Intelligence and Research, and the Office of the Legal Adviser), and the Department of Commerce (the Bureau of Export Administration and the Chief Counsel's Office).

8. The situation reviewed above continues to present an extraordinary and unusual threat to the national security, foreign policy, and economy of the United States. The declaration of the national emergency with respect to Iran contained in Executive Order 12957 and the comprehensive economic sanctions imposed by Executive Order 12959 underscore the United States Government's opposition to the actions and policies of the Government of Iran, particularly its support of international terrorism and its efforts to acquire weapons of mass destruction and the means to deliver them. The Iranian Transactions Regulations issued pursuant to Executive Orders 12957, 12959, and 13059 continue to advance important objectives in promoting the nonproliferation and anti-terrorism policies of the United States. I shall exercise the powers at my disposal to deal with these problems and will report periodically to the Congress on significant developments.

Background

On March 17, 2000, Secretary of State Madeleine K. Albright announced that economic sanctions against Iran would be eased to allow Americans to purchase and import carpets and food products such as dried fruits, nuts, and caviar from Iran. To implement this policy, the Treasury Department's Office of Foreign Assets Control ("OFAC") is amending the Iranian Transactions Regulations, 31 CFR part 560 (the "Regulations"), to authorize, by general license, the importation into the United States of, and dealings in, certain Iranian-origin foodstuffs and carpets and related transactions.

Section 560.534(a) of this final rule authorizes the importation into the United States of Iranian-origin foodstuffs intended for human consumption that are classified under chapters 2-23 of the Harmonized Tariff Schedule of the United States ("HTS"). Items that are classified in chapters 2-23 of the HTS that are not foodstuffs intended for human consumption are not authorized for importation into the United States by this section. This final rule also authorizes the importation into the United States of Iranian-origin carpets and other textile floor coverings and carpets used as wall hangings that are classified under chapter 57 or heading 9706.00.0060 of the HTS. Items that are classified under heading 9706.00.0060 ("Antiques of an age

exceeding one hundred years/Other") that are not carpets and other textile floor coverings or carpets used as wall hangings are not authorized for importation into the United States by this section.

Section 560.534(b) of this rule authorizes U.S. persons, wherever located, to engage in transactions or dealings in such Iranian-origin foodstuffs and carpets, provided that such transactions or dealings do not involve a prohibited exportation to Iran or the Government of Iran. Section 560.534(c) sets forth the effect of this rule on open and closed enforcement actions initiated by the U.S. Government prior to the effective date of this final rule.

Transactions ordinarily incident to the transactions authorized in § 560.534 and necessary to give effect thereto also are authorized as set forth in § 560.405. Section 560.405 is amended to exclude from the scope of permitted incidental transactions letter of credit services relating to transactions authorized in § 560.534. See § 560.405(e). Those letter of credit services that are authorized are set forth separately in § 560.535. Forms of financing other than letters of credit are permitted as incidental transactions as set forth in § 560.405, provided that such forms of financing do not involve a debit or credit to an account of a person in Iran or of the Government of Iran maintained on the books of a U.S. depository institution. See § 560.534(d). Brokering services relating to transactions authorized by this final rule also are authorized. See § 560.535(c). Examples of transactions permitted under this final rule are set forth in §§ 560.534(e) and 560.535(e).

Technical changes are made to § 560.405, to clarify that loading of licensed cargo in Iran is a permitted incidental transaction, and to § 560.524, to clarify that the importation into the United States of qualifying household goods and personal effects is permitted regardless of the time elapsed since the importer's arrival in the United States from Iran.

Because the Regulations involve a foreign affairs function, Executive Order 12866 and the provisions of the Administrative Procedure Act (5 U.S.C. 553) (the "APA") requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the "Reporting and Procedures Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information were previously approved by the Office of Management and Budget ("OMB") under control number 1505-0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

List of Subjects in 31 CFR Part 560

Administrative practice and procedure, Agricultural commodities, Banks, banking, Carpets and rugs, Drugs, Exports, Foods, Foreign trade, Imports, Information, Investments, Iran, Loans, Medical devices, Penalties, Reporting and recordkeeping requirements, Services, Specially designated nationals, Terrorism, Transportation.

For the reasons set forth in the preamble, 31 CFR part 560 is amended as set forth below:

PART 560—IRANIAN TRANSACTIONS REGULATIONS

1. The authority citation for part 560 continues to read as follows:

Authority: 3 U.S.C. 301; 18 U.S.C. 2332d; 22 U.S.C. 2349aa-9; 31 U.S.C. 321(b); 50 U.S.C. 1601-1651, 1701-1706; Pub. L. 101-410, 104 Stat. 890 (28 U.S.C. 2461 note); E.O. 12613, 52 FR 41940, 3 CFR, 1987 Comp., p. 256; E.O. 12957, 60 FR 14615, 3 CFR, 1995 Comp., p. 332; E.O. 12959, 60 FR 24757, 3 CFR, 1995 Comp., p. 356; E.O. 13059, 62 FR 44531, 3 CFR, 1997 Comp., p. 217.

Subpart D—Interpretations

2. Section 560.405 is amended by revising paragraph (b), removing the word "and" at the end of paragraph (c), revising paragraph (d), and adding paragraph (e), to read as follows:

§ 560.405 Transactions incidental to a licensed transaction authorized.

* * * * *

(b) Provision of any transportation services to or from Iran not explicitly authorized in or pursuant to this part other than loading or discharging licensed or exempt cargo there;

* * * * *

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

3. Section 560.524 is amended by adding a sentence to the end of paragraph (b) to read as follows:

§ 560.524 Household goods and personal effects.

* * * * *

(b) * * * For purposes of this paragraph, household and personal effects include all articles meeting the criteria stated in this paragraph regardless of the time elapsed since the importer's arrival in the United States from Iran.

4. Section 560.534 is added to subpart E to read as follows:

§ 560.534 Importation into the United States of, and dealings in, certain foodstuffs and carpets authorized.

(a) The importation into the United States, from Iran or a third country, of the following goods of Iranian-origin is authorized:

(1) Foodstuffs intended for human consumption that are classified under chapters 2-23 of the Harmonized Tariff Schedule of the United States;

(2) Carpets and other textile floor coverings and carpets used as wall hangings that are classified under chapter 57 or heading 9706.00.0060 of the Harmonized Tariff Schedule of the United States.

(b) United States persons, wherever located, are authorized to engage in transactions or dealings in or related to the categories of Iranian-origin goods described in paragraph (a) of this section, provided that the transaction or dealing does not involve or relate to goods, technology, or services for exportation, reexportation, sale, or supply, directly or indirectly, to Iran or the Government of Iran, other than services described in § 560.405 ("Transactions incidental to a licensed transaction authorized").

(c) This section does not affect any open enforcement action initiated by the U.S. Government prior to April 28, 2000, or any seizure, forfeiture, penalty, or liquidated damages case that is considered closed in accordance with Customs or other agency regulations. This section also does not authorize the importation into the United States of goods that are under seizure or detention by U.S. Customs officials pursuant to Customs laws or other applicable provisions of law, until any applicable penalties, charges, duties, or other conditions are satisfied. This

section does not authorize importation into the United States of goods for which forfeiture proceedings have commenced or of goods that have been forfeited to the U.S. Government, other than through Customs disposition by selling at auction.

(d) Iranian accounts. Nothing in this section authorizes a debit or credit to an account of a person located in Iran or of the Government of Iran maintained on the books of a U.S. depository institution.

(e) Examples. The following are examples of transactions permitted under this section:

(1) A United States person living abroad is permitted to purchase or sell an Iranian-origin carpet, as long as the sale is not to Iran or the Government of Iran.

(2) A United States person may process a documentary collection relating to the importation into the United States of Iranian-origin pistachios, but payment under the documentary collection may not involve the crediting of an account of a person located in Iran or of the Government of Iran maintained on the books of a U.S. depository institution.

5. Section 560.535 is added to subpart E to read as follows:

§ 560.535 Letters of credit and brokering services relating to certain foodstuffs and carpets.

(a) Purchases from Iran or the Government of Iran. United States depository institutions are authorized to issue letters of credit in favor of a beneficiary in Iran or the Government of Iran to pay for purchases from Iran or the Government of Iran of the categories of Iranian-origin goods described in § 560.534(a), provided that such letters of credit are not advised, negotiated, paid, or confirmed by the Government of Iran.

(b) Transactions or dealings in Iranian-origin goods other than purchases from Iran or the Government of Iran. United States depository institutions are authorized to issue, advise, negotiate, pay, or confirm letters of credit to pay for transactions in or related to the categories of Iranian-origin goods described in § 560.534(a), other than purchases from Iran or the Government of Iran, provided that such letters of credit are not issued, advised, negotiated, paid, or confirmed by the Government of Iran.

(c) Brokering. United States persons, wherever located, are authorized to act as brokers for the purchase or sale of the categories of Iranian-origin goods described in § 560.534(a), provided that the goods are not for exportation,

reexportation, sale, or supply, directly or indirectly, to Iran or the Government of Iran.

(d) *Iranian accounts.* Nothing in this section authorizes a debit or credit to an account of a person located in Iran or of the Government of Iran maintained on the books of a U.S. depository institution.

(e) Examples. The following are examples of transactions permitted under this section:

(1) A United States depository institution may issue a letter of credit in favor of a person in Iran to finance the importation into the United States of Iranian-origin caviar; the letter of credit may be confirmed by a third-country bank that is not included within the definition of the term Government of Iran.

(2) A United States depository institution may advise or confirm a letter of credit issued by a third-country bank that is not included within the definition of the term Government of Iran to finance the purchase from a third country of Iranian-origin carpets by a U.S. person or third-country national.

(3) A United States person may broker the sale of Iranian-origin carpets from Iran to a third-country national located outside Iran.

(4) A bank that is owned or controlled by the Government of Iran may forward letter of credit documents, strictly on a documentary collection basis, either directly to a United States depository institution or to a third country bank that is not included within the definition of the term Government of Iran and that is party to a letter of credit issued by a United States depository institution. The Iranian bank may not, however, send the documents on an "approval" basis, since it is not and cannot be party to the letter of credit.

Note to § 560.535: See §§ 560.304 and 560.313 for information relating to individuals and entities that are included within the definition of the term Government of Iran. Some entities meeting this definition are listed in appendix A to this part. See also § 560.516 for information relating to authorized transfers to Iran by U.S. depository institutions relating to licensed transactions.

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(3) and 553(d)(3), the Coast Guard finds that good cause exists for not publishing an NPRM and making these regulations effective less than 30 days after the *Federal Register* publication. Publishing an NPRM and delaying the effective date would be contrary to national safety interests since immediate action is needed to minimize potential danger to the public as there will be numerous spectator craft in the area, the event date is scheduled for May 20, 2000, and the permit request was only recently received.

Background and Purpose

These regulations are required to provide for the safety of life on navigable waters because of the inherent danger of the storage and launching of fireworks in the vicinity of spectator craft in Charleston Harbor, Charleston, SC. These regulations prohibit non-participating vessels from entering the area surrounding the two fireworks barges.

Regulatory Evaluation

This proposal is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed it under that order. It is not "significant" under the

regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. The regulated area will only be in effect for approximately 1½ hours.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rule will have a significant economic effect upon a substantial number of small entities. "Small entities" include small business, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities as the regulations will only be in effect for 1½ hours in a limited area and the event will be highly publicized.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-221), we offer to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. We also have a point of contact for commenting on actions by employees of the Coast Guard. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Sudanese Sanctions Regulations; Libyan Sanctions Regulations; Iranian Transactions Regulations; Licensing of Commercial Sales, Exportation and Reexportation of Agricultural Commodities and Products, Medicine, and Medical Equipment; Iranian Accounts on the Books of U.S. Depository Institutions; Informational Materials; Visas

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule; amendments.

SUMMARY: The Treasury Department is amending provisions relating to the financing of agricultural and medical sales appearing in the Sudanese Sanctions Regulations, the Libyan Sanctions Regulations, and the Iranian Transactions Regulations. While general licenses continue to prohibit financing of sales by entities of the Governments of Sudan, Libya or Iran, the amendments remove language prohibiting the issuance of specific licenses authorizing financing by entities of those governments. New appendices are added to identify approved eligible procurement bodies of the Governments of Libya and Iran. Technical changes are made in all three sets of regulations with respect to licensing requirements of other Federal agencies. Technical changes are made in the Iranian Transactions Regulations concerning debits and credits to Iranian accounts on the books of U.S. depository institutions and concerning eligible purchasers. Finally, technical changes are made to the Iranian Transactions Regulations to revise language on informational materials and on "H" (temporary worker) visas.

EFFECTIVE DATE: October 27, 1999.

Background

On April 28, 1999, President Clinton announced that existing unilateral economic sanctions programs would be amended to modify licensing policies to allow specific licensing of the commercial sale of agricultural commodities and products, medicine and medical equipment where the United States Government has the discretion to issue such licenses. On August 2, 1999, the Treasury Department's Office of Foreign Assets Control ("OFAC") published in the **Federal Register** (64 FR 41784) amendments to the Sudanese Sanctions Regulations, 31 CFR part 538 (the "SSR"), the Libyan Sanctions Regulations, 31 CFR part 550 (the "LSR"), and the Iranian Transactions Regulations, 31 CFR part 560 (the "ITR") (collectively, the "Regulations"), to make available both general and specific licenses governing commercial sales of such goods.

The amendments permitted sellers, pursuant to an OFAC general license, to negotiate and sign executory contracts for commercial sales and exportation or reexportation of these agricultural or medical items to the target countries or their governments. Performance under such executory contracts was to be made contingent upon receipt of an OFAC specific license. Regulations, §§ 538.523, 550.569 and 560.530. Persons wishing to make commercial sales of certain bulk agricultural commodities to the target countries or their governments could apply for specific licenses to permit future entry into and performance of contracts for such sales. Regulations, § 538.524 and SSR, appendix A; § 550.570 and LSR, appendix A; § 560.531 and ITR, appendix B. The Regulations made all sales to the target countries subject to a series of requirements intended to ensure that such sales did not improperly benefit the target countries' governments.

With respect to payment for and financing of sales of agricultural and medical items, the Regulations provided by general license that parties were authorized, among other things, to utilize financing by third-country financial institutions that were not U.S. persons or target-country government banks. U.S. financial institutions were authorized by general license to advise or confirm such financing by third-country financial institutions, but specific licenses were required for alternate payment terms. Regulations, §§ 538.523, 550.571, and 560.532.

OFAC is amending provisions relating to payment for and financing of sales of agricultural and medical items. The general licenses in §§ 538.523(a), 550.571(a), and 560.532(a) of the Regulations continue to prohibit financing of sales by entities of the Governments of Sudan, Libya or Iran. Sections 538.523(b), 550.571(b), and 560.532(b), which provide for the specific licensing of alternative financing terms, are amended to remove language prohibiting the issuance of specific licenses authorizing financing by entities of those governments.

Technical revisions are made to language on licensing requirements of other Federal agencies in §§ 538.523(b)(4), 538.524(b)(4), and 538.526(b)(3) of the SSR; 550.569(b)(4), 550.570(b)(4) and 550.572(b)(3) of the LSR; and 560.530(b)(4), 560.531(b)(4), and 560.533(b)(3) of the ITR. Approved eligible procurement bodies of the Governments of Libya and Iran are identified in new appendices to the LSR and ITR.

Sections 550.569(a) of the LSR and 560.530(a) of the ITR are revised to conform the language on executory contracts to that in § 538.523(a) of the SSR. Technical changes are made to §§ 560.532(c) and 560.533(c) of the ITR to clarify that the prohibition on debits and credits to Iranian accounts refers only to accounts of persons located in Iran or of the Government of Iran maintained on the books of a U.S. depository institution.

OFAC is making technical changes to the ITR unrelated to the August 1999 amendments. Section 560.210(c)(2), with respect to informational materials, is amended to remove a reference to royalties. Section 560.505(c) is amended to revise the reference from "H-1b (temporary worker)" to "H (temporary worker)."

Paperwork Reduction Act

As authorized in the APA, the Regulations are being issued without prior notice and public comment procedure. The collections of

information related to the Regulations are contained in 31 CFR part 501 (the "Reporting and Procedures Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget ("OMB") under control number 1505-0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Because the Regulations involve a foreign affairs function, Executive Order 12866 and the provisions of the APA requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

[FRL-5468-4]

Revisions to Emissions Budgets Set Forth in EPA's Finding of Significant Contribution and Rulemaking for Purposes of Reducing Regional Transport of Ozone for the States of Connecticut, Massachusetts and Rhode Island

AGENCY: Environmental Protection Agency (EPA).

ACTION: Withdrawal of direct final rule.

SUMMARY: Due to receipt of adverse comments, EPA is withdrawing a September 15, 1999 direct final rule (64 FR 49987) which would have revised the emissions budgets set forth in EPA's

finding of significant contribution for purposes of reducing regional transport of ozone. Having withdrawn the direct final rule, EPA will take action on a proposed rule to revise the emissions budgets set forth in EPA's finding of significant contribution for purposes of reducing regional transport of ozone also published on September 15, 1999 (64 FR 50036) after EPA has evaluated the comments received.

DATES: The direct final rule to revise the emissions budgets in EPA's finding of significant contribution, which was published on September 15, 1999 (64 FR 49987), is hereby withdrawn as of November 1, 1999.

ADDRESSES: Docket No. A-99-13 is available for public inspection and copying between 8:30 a.m. and 3:30 p.m., Monday through Friday, excluding holidays. The docket is located in the EPA's Air and Radiation Docket and Information Center, Waterside Mall, Room M-1500, 401 M Street, SW, Washington, DC 20460, or by calling (202) 260-7548. A reasonable fee may be charged for copying docket materials.

FOR FURTHER INFORMATION CONTACT: Kathryn Petrillo, Acid Rain Division (6204J) U.S. Environmental Protection Agency, 401 M Street SW, Washington DC 20460, telephone number (202) 564-9093; e-mail: petrillo.kathryn@epa.gov.

SUPPLEMENTARY INFORMATION: On September 15, 1999, EPA published a direct final rule (64 FR 49987) and a parallel proposal (64 FR 50036) to revise the emissions budgets set forth in EPA's finding of significant contribution for purposes of reducing regional transport of ozone (63 FR 57356). These revisions would redistribute the total combined electricity generating unit portion of the state NO_x emissions budgets for Connecticut, Massachusetts, and Rhode Island in accordance with the Memorandum of Understanding signed by the three States and EPA in February 1999. The total combined electric generating unit budget for Connecticut, Massachusetts and Rhode Island would remain unchanged under the revisions. Additionally, the three States each agreed to retire 5% of the electric generating unit portion of their budgets for the benefit of the environment after the revisions are complete.

The EPA stated in the direct final rule that if adverse comments were received by October 5, 1999, EPA would publish a notice withdrawing the direct final rule before its effective date of November 1, 1999. The EPA received adverse comments on October 5, 1999 and is, therefore, withdrawing the direct final rule. The EPA will address these comments in a final rule addressing the

emissions budgets for Connecticut, Massachusetts, and Rhode Island at a later date.

Dated: October 29, 1999.

Assistant Administrator for Air and Radiation.

Propargite; Partial Stay of Order Revoking Certain Tolerances

AGENCY: Environmental Protection Agency (EPA).

ACTION: Partial stay of final rule.

SUMMARY: EPA is staying the revocation of tolerances for propargite on apples; and plums (fresh prunes) and is reinstating the tolerances for those commodities existing on October 18, 1999 until November 18, 1999. A final rule, subject to objections, revoking the tolerances for apples; and plums (fresh prunes) was published in the *Federal Register* on July 21, 1999 (64 FR 39068) (FRL-6089-7). EPA received an objection to the July 21, 1999 rule, which requested that the Agency modify the October 19, 1999 effective date for the final rule as it applied to the removal of the commodities apples; and plums (fresh prunes). EPA is staying the removal of the tolerances for apples; and plums (fresh prunes) effective from October 19, 1999 until November 18, 1999 in order to determine whether to grant the request for modification and if so, for what length of time. Revocations for the remaining tolerances in § 180.259 for apricots; beans, succulent; cranberries; figs; peaches; pears; and strawberries, subject to the July 21, 1999 rule remain effective October 19, 1999.
